

Basketball Home Game COVID Protocols

- Masks must be worn to enter the school and remain on while on campus.
- Players on the bench must wear masks.
- Benches will be wiped down between games.
- Coaches must wear masks.
- Hand sanitizer will be available when you enter the school and the gym. There will also be a bottle on the scorer's table.
- When entering the school teams and fans will enter through the side gate, then enter the gym from the doors closest to the gate. These are the doors where the restrooms are located. When exiting the gym all fans, players, and coaches will be directed to exit on the far side of the gym to avoid creating a bottleneck at the entrance.
- Due to space limitation and COVID protocols at EDS, we can only allow 22 fans per school team in the gym. We will only sell tickets online. There will be no cash sales. Tickets will need to be purchased in advance.
- Players and fans for the next game will not be allowed to enter the gym until the game before has ended and the teams and fans have exited the gym.
- Please do not arrive earlier than 15 minutes before the scheduled game time.
- We will clear the gym of players and fans and then admit the players and fans for the next game. We have added an additional 10 minutes between each game to allow for this transition.
- To minimize potential exposure to the virus, we ask that all attendees and participants immediately return to their vehicles once the evening games are concluded.
- We will not have concessions at this time.
- Visiting teams will need to bring their own balls for warm-ups.
- The game balls will be wiped down between games. We will also have multiple game balls available.
