

WESTMINSTER SCHOOLS OF AUGUSTA

2021 COVID-19 PROTOCOLS & PROCEDURES FOR SPRING ATHLETIC EVENTS

Westminster Schools of Augusta's athletic department asks that all coaches, student-athletes, fans, and spectators be courteous and abide by the following COVID-19 game day protocols. During this challenging school year, Westminster Schools of Augusta will continue to follow protocols and procedures to ensure the community's health and safety. Through following the below protocols, the community can aid in helping Westminster Schools of Augusta continue to participate in athletics this season.

1. Prior to participating in an athletic event, Westminster Schools of Augusta verbally screens all student-athletes, coaches, and staff. We ask that all spectators and all attendees of the opposing team do the same.
2. Westminster asks that all fans refrain from attending if you present with any coronavirus-like symptoms. Please review the school's coronavirus webpage at wsa.net/coronavirus for questions concerning proper mask wearing, coronavirus-like symptoms and more.
3. Video support, managers, trainers, gate volunteers, concession workers, and any other volunteers from either team will be required to wear a mask when not socially distanced.
4. Westminster is not limiting fans at this time.
5. Locker rooms will be provided for Varsity soccer opponents in the Upper School gym which includes gym space and two restrooms. (There are no visitor baseball locker rooms.) These areas are sanitized before and after with a decontamination and sanitization fogger.
6. Per the Augusta-Aiken Middle School League (AAMSL), locker rooms will NOT be available for middle school teams. Middle School teams should arrive dressed and come directly to the field.
7. Per the GISA there will be no fans allowed on the field at any time.
8. At the point of entry into the facility, masks must be worn correctly and at all times when social distancing is not possible (e.g., walking to and from your chair or seat, in line at the concession stand). Please note that masks can be taken off if you are socially distanced AND away from a high traffic area.
9. Hand sanitizer stations will be located throughout the facility.

Westminster Schools of Augusta may ask any coach, student-athlete, fan, or spectator not abiding by the above protocols to remove themselves from Westminster's campus. Please note that Westminster Schools of Augusta reserves the right to update the school's protocols at any time to better suit the needs of our school.

Under Georgia law, there is no liability for an injury or death of an individual entering the Westminster Schools of Augusta premises if such injury or death result from the inherent risks of contracting COVID-19. All individuals are assuming the risk by entering these premises.
